

Dr. Priya Raman

Postdoctoral Researcher - Human-Computer Interaction
Cambridge, MA | priya.raman@example.test | scholar.example/priyaraman |
linkedin.com/in/priyaraman

SUMMARY

Human-computer interaction researcher studying accessible collaboration tools and applied machine learning for education.

EXPERIENCE

Postdoctoral Researcher - Northeast Institute of Technology - Cambridge, MA - 2024-01 to Present
Leads mixed-methods research on accessible collaborative writing tools for distributed classrooms.
Graduate Research Assistant - Lakeside University - Madison, WI - 2019-09 to 2024-08
Designed studies, analyzed qualitative data, and published peer-reviewed HCI systems research.
Teaching Fellow - Lakeside University - Madison, WI - 2021-01 to 2023-12
Taught human-centered design studios and mentored undergraduate research teams.

EDUCATION

Ph.D. Information Science - Lakeside University - 2019-09 to 2024-08 - GPA 4.0
M.S. Computer Science - Western Technical University - 2017-09 to 2019-05 - GPA 3.9

SKILLS

User Research, Mixed Methods, Python, R, Accessibility, LaTeX, Study Design, Data Analysis

PROJECTS

Accessible Writing Lab - Python, React, Qualitative Coding
Research platform for studying collaborative writing workflows.
